Tel: 081 772 1289/ 073 203 8588 Email: [luthandom99@gmail.com](mailto:luthandom99@gmail.com)  
Portfolio Website: <https://turkishd.github.io/luthandomadlingozi/index.html>

Please note that I am currently developing a website for my ex-employee Buyana Financial Services  
<https://turkishd.github.io/buyana/>

## I.T. Consultant- Project Management Team Leader

**\*Systems Programmer – System Administrator – Fullstack Developer – Networking WAN / LAN**

A Web Developer and a Programmer, based in Cape Town South Africa. I make Web Applications, usually with VS Studio. I primarily use Bootstrap, but picking up a new framework or language is not a problem. I have extensive programming experience and I'm comfortable developing on the frontend or backend as well as setting up and managing the infrastructure. Backend Development -My bread and butter is SQL. I am working on projects remotely for clients in Cape Town and all-over South Africa.
